

SUNLIT WHISPERS

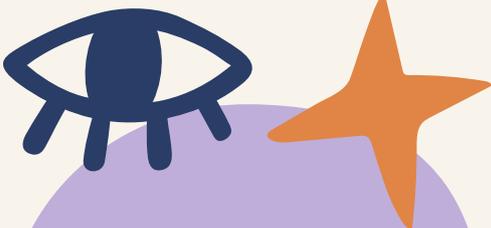

NATURE INSPIRED SOULFUL AFFIRMATION CARDS

All parts of me have a
place here — like
branches, rivers, and sky

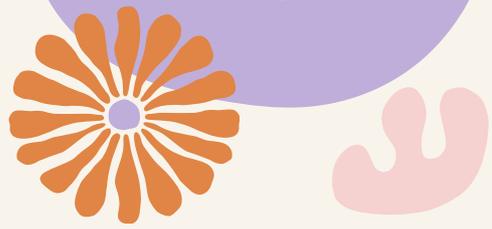

Every delicate part of
me belongs in the
sunlight.

I pause to breathe, to feel,
and to return to myself

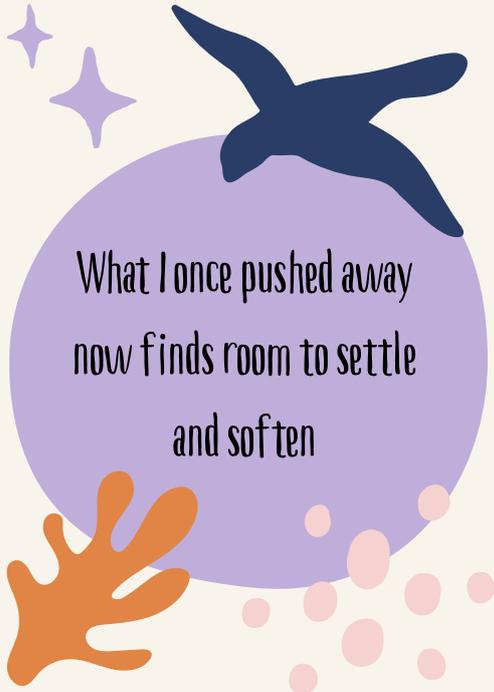

My inner world is a living
landscape — shifting,
breathing, whole

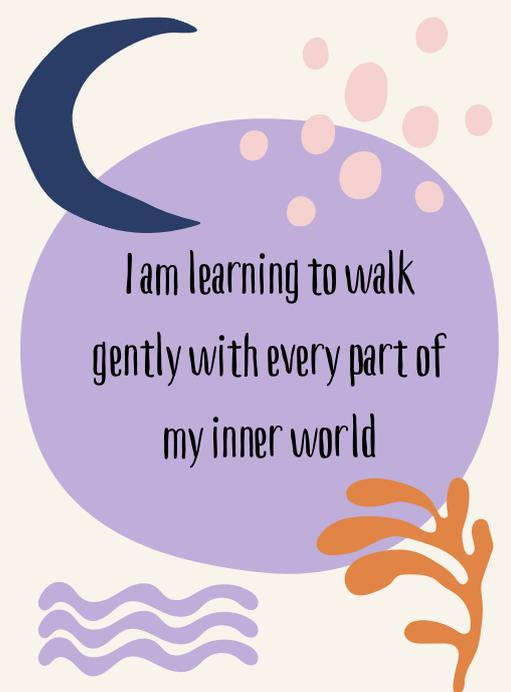

SUNLIT WHISPERS

NATURE INSPIRED SOULFUL AFFIRMATION CARDS

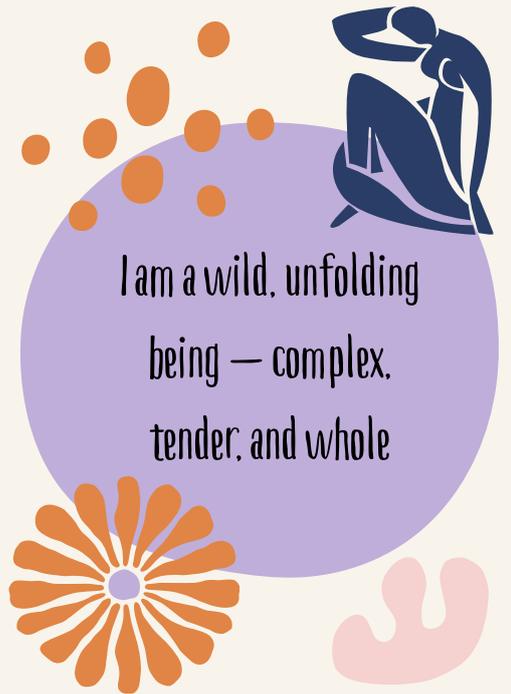

What I once pushed away
now finds room to settle
and soften

I am learning to walk
gently with every part of
my inner world

I tend my inner landscape
with patience and care

I am a wild, unfolding
being — complex,
tender, and whole

SUNLIT WHISPERS

NATURE INSPIRED SOULFUL AFFIRMATION CARDS

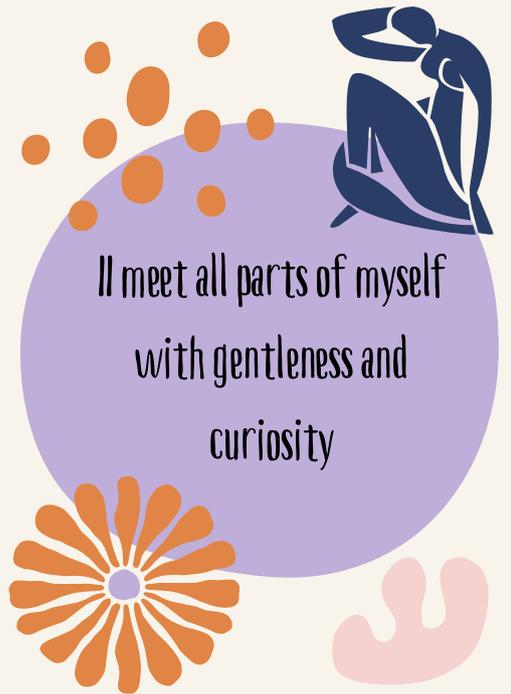

I am held by something
greater — earth, sky,
breath, and being.

I am both the forest and
the clearing — strong,
tender, whole.

I return to my breath as the
tide returns to shore.

It meet all parts of myself
with gentleness and
curiosity
